

## Tidings From Timothy

Since I will be gone Sunday. I figured I would just carry an article on an important subject close to my heart.

### Our Real And Continuing Loss

These children...will never laugh, never sing, never experience the joy of human love; nor will they strive to heal the sick, or feed the poor, or make peace among nations. Abortion has denied them the first and most basic of human rights, and we are infinitely poorer for their loss.

We are poorer not simply for the lives not led and for contributions not made, but also for erosion of our sense of worth and dignity of every individual. To diminish the value of one category of human life is to diminish us all.

--Ronald Reagan--

In the news recently, the abortion drug RU-486 was getting a lot of attention. It seems that the Federal authorities can't find anything so bad about it. Who can speak for those unborn children whose lives will be taken by the use of this drug? The answer is simple, Christians can! We need people in the church, in the government, and especially in the home to begin respecting life as we should. Human life is minimized first at home when the decision is made to consider abortion even though the mother's health is not endangered. This degradation of humanity continues when some in the church are ashamed that abortion is labeled murder, which is exactly what it is. And finally, the babies are not considered when we get to the voting booth and forget our allegiance to life and God, but we do remember our allegiance to party. The result is a cruel set of laws and

proposals to protect our children's killers - and then pay for the execution. An execution carried out even though the only accusation that can be laid at our little children's feet is that they wanted to be born.

God looks upon us with judgment coming and sees where we are taking our stand. Let the word go out that true Christians do not support suicide, abortion, or the killing of our sick and elderly. All people in God's sight are precious and each one has a unique soul that he wants to see develop and grow for a lifetime. If you can read this article, then you are among the fortunate. Life and opportunity are yours. So what will you do with the life God has blessed *you* with?

***“Lo, children are an heritage of the Lord: and the fruit of the womb is his reward. As arrows are in the hand of a mighty man; so are children of the youth. Happy is the man that hath his quiver full of them...” Psalm 127:3-5a***

I would like to express a big “Thank You!” to Lewis Blythe for preaching today.
