

## Tidings From Timothy

**T**His morning, I will be speaking on the cross of Christ. Tonight we will continue our study of the Sermon on the Mount at Matthew 5:38ff.

**VBS:** There is a sheet up in the foyer for you to sign up to teach a class during our VBS this year. It will be June 20-23. Flyers are also available for you to give to people, put in your vehicle, etc.

**Camp:** Camp will be July 22-27, so if you would like to go, then let me know. They would like to get people registered before July if possible. You can get in after that, but they charge a little more money.

### In Need of Prayer

We are thankful to God that there have been few relatively few medical incidents lately. Sister Rachel Bartley is having tests done, and sister Bernice Whittimore is in poor health.

**What about our VBS?** Do you know how it is structured? Do you know the dates and time of day it starts? If so, then have you set aside enough time to come each night and maybe bring someone with you? If you don't know these things, what would you tell someone who asks you for information? Lets all be more knowledgeable of our VBS, even if we aren't teaching a class. Also, why not volunteer to transport someone who needs to go to VBS but can't because no one will take them? Everybody benefits from your presence and intense study at Bible School.

To all of those who will be teaching, helping with refreshments, transporting, or whatever you plan to do to help, THANKS! You may never realize the good that a young person can take with them from such an effort as this. When the time comes for us to begin, it will be because of volunteers like you that it will be a success, and our Father will see and make note of it.

It seems that some are trying to do away with the notion of VBS and Gospel Meetings. The trend started in Meetings a long time ago with them becoming shorter and shorter. But if you take away the Meeting, scale down or take away VBS, then what is next? Camp? Take them all away as being relics of the past and you are left with a church that has very little in the way of special teaching activities. Everyone, especially those in education should know that that would not be good.

It would be like having a class that is all lecture all the time. Its effectiveness will become more and more limited unless the teacher is changed, aides are used, or special events are planned. In a class atmosphere like we find in VBS, student interaction is allowed which balances out nicely with the preaching that is done by the guest speaker at the Gospel Meeting.

Finally, let me add that when you think you have contributed all that you can to the work of the church in any of these events, you are wrong. You can pray. Pray for our young people and teach them the right way (Tit. 2:1-5; Eph. 6:1-4; II Tim. 4:1-4).

--Tim

### Study the Bible?

God speaks to us today through the Holy Word of God - The Bible (Hebrews 1:1-2). The Scriptures instruct us in the way God requires His people to live (2 Timothy 3:16,17). The Bible is powerful and able to save us (Romans 1:16; James 1:21-25), if we will hear, learn and obey it.

⇒ **Yes!** I want to learn more about the Holy Bible. Please enroll me in the eight lesson FREE Bible Correspondence Course (we even pay for the postage).
