

WE didn't make a lot of progress in the verses of Romans 12 last time, but this morning will be different. Traveling through the chapter will reveal a lot of good, practical teaching about unlocking our potential to influence others for Christ. Tonight we look at Keeping Sin out of the Church.

In Need of Prayer: **Sue Isenberg** is dealing with infection in her lung and, of course, the blood clot. They are hoping they can get the feeding tube out soon. **Cass Deckard** is back in the hospital and is going back and forth continually with his health. **John Austin Gerald**s is down in Atlanta getting rehab and is making progress. We have an address for getting cards and such to him posted out front on the bulletin board. **Phyllis Dyer** had another round of fluid and decided to have the valve that is causing the problem repaired. She is at Kentukiana but they are looking to do the procedure at Jewish Hospital in Louisville. First, they have to have a successful TEE test (whatever that is 😊) and then arrange it with the doctor. **Vivian Gerald**s got the results back from her scan. The tumor has not shrunk. The next step is to decide what treatments to try next. **Mack Harlan** has been in the local hospital. **Bobby Garmon** is back at home. Our complete prayer list is at www.mtgileadchurch.net!

Trunk N-Treat: Thanks to all who made this a memorable time. Just don't rot your teeth!

Directory Update: We are working on getting a new directory done, but need to pick the best time and arrange

for a photographer. I just wanted to put a bug in your ear so get ready!!

A TIME TO EVERY PURPOSE

Solomon's wonderful wisdom is brought to us powerfully in Ecclesiastes 3:1-8 where he mentions many categories of life: "A time to be born and a time to die..." There are events in our lives that we eagerly anticipate, while other events we dread, even fear. It is God's purpose that we build and break down, plant and pluck up what we planted. When we read of all these different events that are necessary, we can thank God that He has made such wonderful provisions for our work, lives and well-being. As we age, we become more and more thankful that God has made provision for us to pass from this life into an eternal home. We are thankful that disease, suffering, disappointments, tears, pain and all the rest will pass away (Revelation 21:4). As we ponder this, we realize that there is a time to obey God, a time to live for Him, a time to forgive others, a time to heal from hurts and renew our spirits, and a time to urge our friends and family to prepare for this eventual death.
